

Executive Summary

Programs and Products

During 2025, the REDF continued to develop and diversify its financing programs to meet the needs of beneficiaries. These included the **Etizaz** initiative and the **Mazaya** program, in addition to its preexisting programs.

Total beneficiaries of housing support programs in 2025

Monthly Support Deposits

The regularity rate of monthly support deposits for Sakani beneficiaries, exceeding the 2025 annual target of 99.90% **99.98%**

Strategy Update

The REDF has updated its strategy based on four main pillars aligned with Saudi Vision 2030. These pillars include real estate sector financing, private sector participation, enhancing financial strength, and institutional excellence. The REDF is currently implementing this strategy in phases to achieve its strategic objectives.
